## Summary

---

MERN Stack / Frontend Developer with 2+ years of experience building scalable and secure web applications using React.js and Node.js. Strong expertise in frontend development, RESTful APIs, authentication, and clean coding practices. Experienced in delivering responsive, user-focused solutions in Agile/Scrum environments.

## Experience

---

### Software Engineer

Jul 2023 – Jan 2025

*ASP OL Media, Pune*

- Developed and deployed 2+ full-stack web applications using React.js, Node.js, Express.js, and MongoDB.
- Built reusable UI components and mobile-first layouts ensuring cross-browser compatibility.
- Implemented JWT-based authentication and bcrypt hashing to enhance application security.
- Performed CRUD operations, schema design, and data management using MongoDB and MySQL.
- Collaborated with designers, backend developers, and QA teams in Agile/Scrum environments.

## Technical Skills

---

**Languages:** JavaScript (ES6+), HTML5, CSS3

**Frameworks & Libraries:** React.js, Next.js, Node.js, Express.js, Tailwind CSS, Material UI, Bootstrap

**Tools & Platforms:** Git, GitHub, Postman, VS Code, Netlify, Vercel

**Concepts:** REST APIs, JWT, React Hooks, Context API, Role-Based Access Control (RBAC), Component-Based Architecture, Responsive Design, Agile/Scrum

## Projects

---

### Distance Finder Web App – Next.js

[Live Link](#)

*Next.js, React.js, JavaScript, Map APIs*

- Built a Next.js web application for real-time distance calculation using Map APIs and RESTful services.
- Optimized performance using server-side rendering (SSR) and SEO best practices.
- Supported 300+ daily user interactions with improved accuracy and responsiveness.

### AuthSphere – Secure Authentication Dashboard

[Live Link](#)

*React.js, JWT, REST APIs, Axios*

- Developed a secure authentication dashboard using React.js with JWT-based login and registration.
- Implemented protected routes and role-based access control (RBAC) to prevent unauthorized access.
- Integrated RESTful APIs using Axios with centralized error handling and session management.
- Designed a responsive, production-ready UI aligned with real-world enterprise authentication workflows.

## Certifications

---

- SQL Certification – Coursera
- JavaScript Certification – HackerRank

## Education

---

### Bachelor of Technology in Computer Science

Aug 2019 – May 2023

Shri Ram Group of Institution, Jabalpur, MP
